

Landcare Resource Office

# Invitation

*You and your fellow Landcarers  
are invited to*

Celebrate Landcaring

with Lake Macquarie Landcare at our annual

## **Mini Muster Celebration & Open Day**

at the Landcare Resource Centre (LRC) in Toronto Road, Teralba  
on Sunday 12<sup>th</sup> September 2010 from 10am to 2pm.

Join the staff from the Landcare Resource Office (LRO) for a special morning tea and lunch in honor of local landcarers and their valuable efforts caring for their local environment.

All Landcarers are warmly encouraged, to share their own personal displays, presentations, or stories of their Landcare groups and sites on the day.

This year the LRC is celebrating both 21 years of community Landcare in Australia and one year since opening as the new Landcare Resource Centre.

We will be focusing on the achievements across the community and within the Landcare Resource Centre. View our new rainwater tanks and see our plans that are currently underway for solar power for the Centre as well as displays on our new projects that are happening all across the city.

**Please RSVP by Sep 8 to the LRO on 02 49210392 or email [lro@lakemac.nsw.gov.au](mailto:lro@lakemac.nsw.gov.au)**
